CORONA JUNIOR HIGH SCHOOL

FOREWORD

Because of the great number of students who have contributed their efforts to make this annual a success, we have not been able to publish the names of the various individuals. However, we wish to give credit to the different groups that have done a great deal of this work. The Photography Club under Mr. Ray King has spent many hours working uncomplainingly as the excellent pictures in this annual testify. All grades gathered jokes near and far. These were put in order by Miss Ellen Gibbs. A group of eighth graders from each section, directed by Miss Marie Harrison, has compiled a most entertaining horoscope for the graduates of 1934. The seventh graders, assisted by Mrs. Mina Taw and Miss Margaret Barrow, have kept a faithful record of our year's events. Mr. Raymond Mahoney and Mrs. Alline McNeil have likewise assisted several of their students in jotting down a brief summary of athletic events. Glancing through the annual, no doubt the attractive block prints caught your eye immediately. Who but Miss Lorraine Lowry and her Craft Club could have been responsible for these. And last but not least, inspiring, encouraging, and helping finance the whole project, has been Miss Letha Raney, principal of Corona Junior high school.

To each and every one of these students and members of the faculty the Editorial staff owes its appreciation for the work of each has helped perfect the whole.

EIGHTH GRADE BOYS' ATHLETICS

Taking it from the standpoint of athletics, the eighth grade boys have done remarkably well this year.

The first in season was speedball. In the eighth grade there were four teams. After many long hard fought battles between the four, the 8 N's emerged the victors of the speedball season.

Second came the basketball season with all its excitement. The different physical education classes were divided into 13 teams. The Goonies were the 8 A and 8 N champs and the Bobcats were the 8 B and 8 J. victors. The latters became school champs.

The third season was track. This includes many different events. They are dash, running broad jump, standing broad jump, shot put, high jump, chinning, 330 yard and two different basket ball events. The eighth grade did remarkably well when they met the High School lightweights. The final score was 24 to 44 in favor of the High School. Junior High took one first place in the meet. The event was High Jump won by Delbert Cleveland. Wilbur Joy also took four seconds.

In one class, the 8 B and J, there were teams consisting of eight members each. In the 8 A and N there were the same number of teams. In the dual meets the Wings were the champs of the 8 B and J teams. When all four teams competed in one meet, the Wings were again victorious. The captain of the Wings was Wilbur Joy. In the 8 A and N the Secret 8's won in the dual meets, but were upset in the bigger meet by the Fleetests, who got first. The captain was Santos Rico. The best marks in track meets were dash, 8.9 seconds, done by Joy; shot put, 49 feet and 4 inches, done by Joy; running broad jump, 18 feet 1 inch, done by Joy; basket ball, 24 in 2 minutes, done by Ted Anderson; standing broad jump, 7 feet 5½ inches done by Jay Baker; 330 yard dash, 45.2 seconds, done by M. Lopez; chinning, 21, done by C. Hernandez; high jump 4 feet 9½ inches, done by Delbert Cleveland; and relay, 39.8, done by a team named the Cobras.

Every year one event that is always looked for with great enthusiasm is the track meet at Hemet. For the third successive year Corona won. There were five other schools besides Corona, competing. Corona won the meet by a large margin. The score was Corona 156 and the closest score to that was Hemet 54. The last meets in track were the Junior and Senior Pentathlon. The first five places in the Juniors were first, James Ganahl; second, Derio Lorenzi; third, Joe Ganahl; fourth, Joe Sullivan; and fifth, Kenneth Kilday. The first five places in the Seniors were first, Wilbur Joy; second, Robert Cox; third, Jack Murray; fourth, Eldon Veach; and fifth, Manuel Lopez. These ten boys will compete in the city meet.

The last seasons in the year are baseball and tennis. There will be tennis tournaments for the seventh and eighth grades.

GIRLS' ATHLETICS

The first two sports taken up this year by the girls' physical education classes were volleyball and 9 court basketball. The interest and enthusiasm of all the girls was held by contests in the form of tournaments among the several seventh and eighth grade classes. Both contests ended with the 7 C's and 8 A's being left to fight it out, each team being victorious in its own grade.

Excitement reigned. The courts were lined with interested spectators for the championship matches. Screams, groans, yells of encouragement and despair were heard from the lips of both the players and those watching. After two hard fought games, the 8 A's in both matches, emerged from the battle-field, dusty, hot, tired, but happily victorious. They had triumphed over a worthy foe.

Nearly every girl in the school at the present time is engaged in a tennis tournament. This, with a contest in baseball similar to those held in the other sports, will complete the girls' athletic activities for the year.

OUR CALENDAR

September 11, 1933. One hundred sixty seventh graders and one hundred twenty eighth graders were enrolled in Junior High on the opening day. Seventh grade students were recognizable by their worried glances, eighth graders by their looks of self-assurance.

October 3, 1933. Election Day. Every one was eagerly awaiting the results. Finally the suspense was broken. The bulletin board read: President, Barbara Root; vice president, Lois Terpening; secretary, Anita Seelye; yell-leader, Thom Barbr; and song leader, Virginia Norton.

October 12, 1933. The student body came to assembly to see the Columbus Day Program. Children posed in pictures representing events in his life. There were also poems, songs, and the flag salute.

October 26, 1933. For securing the most memberships, the eighth grade received a treat from the P. T. A. They invited the seventh grade to join them. The treat was a movie. The 7A and 8A classes also won a prize for securing the most fathers' signatures. Ice cream and cake! We thank the P. T. A.

October 27, 1933. The Scholarship Society had a most successful party at the Corona City Park. Every one present enjoyed the games and the delicious refreshments.

October 30, 1933. Horrible groans, screams, clanking chains, walking ghosts, spooky poems, and anything to make one scared! It was the Hallowe'en Program, and they who saw it were glad to get out.

November 11, 1933. An interesting Armistice Day program was presented at the Corona Junior High School. Patriotic songs and speeches were given by the students. The American Legion sent us a quartet to sing some old war songs which were enjoyed very much. Mrs. Jewell also sang, and Vincent Shank gave some of the bugle calls.

November 17, 1933. End of the first quarter.

November 29, 1933. The Thanksgiving program this year consisted of shadow pictures of the Landing of the Pilgrims and many other interesting events of history. Appropriate songs were sung by the student body and Mrs. Ruth McKenzie.

December 15, 1933. At 1:45 the Student Body and P. T. A. members enjoyed a delightful Christmas play entitled, "Why the Chimes Rang", given in the Junior High Auditorium. This play was repeated on Sunday, December 17, 1933, for the public.

December 15, 1933. The students wriggled in their seats. The Yuletide spirit was becoming evident rapidly. At last the long awaited day came and down the steps rushed the students. Christmas vacation had begun; the old building stood silent.

December 18, 1933. Teachers' Institute.

January 25, 1934. On Thursday evening at 7 o'clock the parents were invited to the Junior High School to visit the children in two 20-minute periods of school work. At 8 o'clock the parents gathered in the auditorium where the school orchestra was heard playing under the direction of Mr. Franklin. A short talk was then given by Mr. Ira C. Landis, superintendent of the Riverside City Schools, on "Good Citizenship, the Goal of Our Schools". The children were entertained by a movie in the shop.

January 26, 1934. End of First Semester.

February 12, 1934. The Lincoln Day program brought Lincoln back again. His outstanding speeches and readings were given by seventh and eighth grade students. The assembly joined in singing negro spirituals.

February 22, 1934. In honor of the First Father of Our Country, songs, poems, and readings were given by the 7A class. The minuet was danced by the 7H girls.

March 13, 1934. Boys and girls did themselves proud on this day by bringing forth real orators. The occasion was the W.C.T.U. contest. Those walking away with the honors in the seventh grade were Jay Bristow, Donald Madison, Ivy Miller, and Jean Wallace. In the eighth grade Margaret Dixon, Tony DeGeorge, Ted Anderson, and John Rodriguez were the winners.

March 23, 1934. End of the Third Quarter.

March 26-30, 1934. Spring Vacation.

April 19, 1934. The eighth grade students and parents held an evening meeting in which the High School curriculum was discussed. Some of the boys and girls are still in a fog.

April 24, 1934. The Girls' Glee Club entertained members and friends of the Methodist Church with a program of miscellaneous numbers and solos. They also enacted a one-act play called, "Girls Wanted". Our girls show real talent.

May 13, 1934. The Girls' Glee Club and selected Seventh Grade Chorus participated in the Festival of Sacred Music, given at Riverside by the Riverside County Chorus.

May 24, 1934. The School Exhibit was held. Friends and parents gazed upon the displays which were shown in all departments of the school. A special Art exhibit was featured by Miss Lowry. A program of songs and dances was presented in the auditorium.

June 8, 1934. Commencement Day Exercises. Eighth graders were rewarded for their efforts at Junior High.

THE CHRISTMAS PROGRAM

Our Christmas program was given on December 15. It opened with a lovely procession at 1:45 in the Junior High Auditorium. A long line of students entered, dressed in black and white robes. It was very effective. These students sang a group of beautiful carols.

The Christmas play, "Why the Chimes Rang", was very well given. The main characters were Gerald Cummings, Them Barber, Virginia Norton, Harold Sullivan, and Robert Tilson.

The play was about a perfect gift to be laid on the altar at the Christmas service. When such a gift was presented, it was said that the Chimes would ring. Many people brought rich gifts, but when a small peasant boy gave his pennies—all he had—the chimes rang. The wonderful vision seen by the little boy, and the voices of the choir, as they sang the beautiful Christmas songs, were surely very inspiring.

All of the students feel that this was the outstanding program of the year. Much praise is due Mrs. McKenzie and Miss Harrison, who had charge of the play, and Miss Lowry, Mrs. Hutchison, and Mrs. Brooks for stage decorations and costumes.

GOOD MORNING

Robert Hampton: (Answering the phone about 3 A. M.) Hello! Who is it?
Voice over phone: It's I!

Robert H.: Well, what do you want?

Voice over phone (Bob Newton): I want to know what you're doing up at this time of the night!

Student (to Mrs. Hutchison): What is the difference between you and a person late for her train?

Mrs. Hutchison: I can't answer that.

Student: You train the miss, and she misses the train.

Miss Harrison (talking to 8 N class): Robert Louis Stevenson wrote "To a Field Mouse".

Charles Hooker (from rear of room): Did he get an answer?

Bright Student (In Civics): Why can't a deaf man be legally convicted?

Miss Lawson: That's easy. No man can be condemned without a hearing.

Question: If the President and Vice President should die who would take charge?

Answer: The undertaker.

Robert Tilson: What smells the most in a perfume shop?

Tom Barber: I don't know.

Robert: The nose.

A SWEET ONE

Miss Barrow: Name a product of the West Indies.

Norma Maxwell: I don't know any.

Miss Barrow: Come, come, where do you get your sugar?

Norma: We borrow it from the next door neighbor's.

THESE ENGLISHMEN

An Englishman, visiting this country for the first time, was driving along the highway when he saw a sign which read: "Drive slowly. This means YOU." The Englishman stopped in surprise and exclaimed, "My word, how did they know I was here!"

Avis Wayne: The teacher told me I had a mighty good head.

Edis Colvin: Swell.

Avis: I'll say it did!

Mrs. Brooks: (in geography) Where is the Red Sea?

Bright Pupil: The third mark down on my report card.

Sybil Mead: Katherine, do you know what makes Ted's neck look so much like a camel's neck?

Katherine Rinaudo: No, what?

Sybil: It has gone so long without water!

Harold S: My friend, you are the inspiration of my composition.

Vera B: And what do you write, my hero?

Harold: Jokes.

Teacher: What is velocity?

Pupil: Velocity is what a man puts a hot dish down with.
